Adjournment—		
— of an item of business cannot be proposed when closure *re* a motion on the item of business is applied and the item has to be put to the House	XXXVI	557
— of an item of business. A formal motion must be made for adjourning an item of business	,,	285
Adjournment motion(s)—		
— must relate to a matter which is a primary concern of the Local Government. A motion, e.g., relating to water-supply to the city is admissible as the condition of the tank and water-supply therefrom are within the control of the Local Government ..	,,	280
— must not revive discussion on matter discussed in the same session. A matter already discussed in Council or referred to in previous debate cannot be raised in the form of an adjournment motion	,,	279

Withdrawal of —. Even if one member objects, withdrawal should be put to the House	,,	320
Amendment to adjournment motion disallowed	,,	313
Refusal of consent of President to moving of —	,,	171
Consent of President to moving of — should be obtained before he occupies the chair	XXXVII	102
— should relate to an urgent matter. Where a motion is not so worded as to show that the matter to which it relates is an urgent one, the motion is not admissible	,,	102
— should relate to a matter of recent occurrence. (That a matter has ceased to be sub judice will not have the effect of converting it into one of recent occurrence)	,,	355
— should relate to not more than one matter. Motion referring to two matters is out of order	XLII	165
	,,	193
When the matter to be discussed is definite, questions incidental to it may be raised which would help the House to vote for or against the motion	XXXVIII	308
— on a matter for which leave to move was sought on a previous occasion, but on which the motion could not be moved, can be revived provided the urgency is made out	,,	511
— must refer to an event of recent occurrence	XLII	165
Amendment—		
Member cannot move an amendment without any notice to the President	XXXIX	171
	XLII	38
Bill(s)—		
In the case of Bills requiring sanction, if the question of want of sanction is raised bona fide, the matter must be referred for decision of the authority provided by the Statute or Rules and there is no provision for a ruling being given by the President, subject to the final decision of that authority	XXXVII	300
Moving of — by member other than member giving notice is not permissible, if the latter appears to be absent for the time being.	,,	267
Mere granting of leave to introduce a Bill will not suffice to bring a Bill before the select committee, as there is no provision to suspend the relevant standing order and allow the Bill to pass to its next stage	,,	269
It is for the President to decide whether notice is necessary for motion that a Bill be referred to a select committee	,,	291
The member in charge of Bill may immediately after introduction move for reference of Bill to select committee, yet a list of such members should be given to the President beforehand	,,	291
Where several Bills amending the same Act are to be referred to select committee, a separate motion for reference to select committee should be made for each Bill	,,	269
Motion for leave to introduce a Bill cannot be made by a member other than the member giving notice of it and rule 20-A does not cover the case	XXXVIII	395
Passing of—		
When a Bill is considered clause by clause, no motion by the mover that a clause do stand part of the Bill is necessary for it is the President who puts the clauses to the House	,,	295
Suspension of Standing Order No. 39—		
Where there is no defect in the language of the Bill, the standing order will be suspended	,,	295
Amendment(s) to		
Member is not allowed to speak twice on the same amendment ..	XXXVI	322
Member is not allowed to press only a portion of his amendment.	,,	324
President may not put to vote portions of amendment separately if there has been no distinct debate on the portions separately and when objection is not raised to putting the amendment as a whole	,,	324
